

Rising Star Award Questions

Have you implemented a new piece of HireVue technology in 2023? This award recognizes the achievements of new HireVue customers or those customers who have implemented a HireVue solution within 2024.

Judging Criteria:

Judges are looking for new HireVue customers or those who have incorporated a new HireVue solution in 2024 and used it to improve hiring metrics as part of their hiring transformation process.

Your award submission should clearly explain (1000 words max):

Please provide an overview of your organization, the size of your recruitment team and if this has changed over the last twelve months, and the type of roles that you hire for? (Suggested word Limit 250)

Please provide details of the hiring or business objective you were looking to solve when considering HireVue as a partner or considering implementing this new HireVue solution. (Suggested word Limit 250)

Please provide details on the transformation of your hiring strategy and process after implementing HireVue solutions. (Suggested word Limit 250)

Please provide initial metrics and goals you're hoping to obtain with the new solution. (Suggested word Limit 250)
